

**STATE OF CONNECTICUT**  
**CONNECTICUT SITING COUNCIL**

**RE:** The United Illuminating Company Application for a **Docket No. 317**  
Certificate of Environmental Compatibility and Public Need for the  
Construction, Maintenance, and Operation of a Proposed  
115-kV/13.8-kV Electric Substation and Associated Facilities  
Located at 3-7 Wildflower Lane, Trumbull, Connecticut. **October 23, 2006**

**TOWN OF TRUMBULL RESPONSE  
TO APPLICANT'S INTERROGATORIES**

1. Identify all the potential sites for the substation that the Town intends to present to the Council as an alternative to the Wildflower Lane site. Provide any maps, drawings and figures showing the alternative sites.

**The Town is advocating only the Quarry Road site (#11). Maps will be provided.**

2. For each site, provide information concerning the ownership, including but not limited to name, address, telephone number and nature of ownership of the site. If any alternative sites are owned by the Town identify the approvals which would be necessary to sell the property to UI.

**David D'Addario, 10 Middle Street, Bridgeport, CT 06604**  
**Tel: 203-333-9488**

**Site not owned by the Town.**

3. Provide copies of all communications, including but not limited to email correspondence, with any owners of the potential sites which communications discuss the use of the site for an electric substation.

**NA**

4. Describe the nature of communications between the Town and residents within 500' of any of the alternative sites concerning the possible location of the substation at the alternative site.

**There are no residents within 500' to the Town's knowledge.**

5. Identify any person or entity who consulted with or provided information to Trumbull on issues relating to the identification of environmental, ecological, natural, recreational, historical, archeological and scenic resource values of the proposed substation on any alternate site.

**None**

6. Describe all the procedural steps the Town would have to undertake to sell the UI any site owned by the Town for use as an alternate site for the substation.

**Approvals would be required by the Planning and Zoning Commission and the Town Council.**

7. Describe the nature of communications between the office of the First Selectman and the Town Council regarding the potential sale to UI of any site owned by the Town for use as an alternate site for the substation.

**There has been no communication with the Town Council. The Town is not advocating the sale of any Town-owned property for this purpose.**

8. Describe the nature of communications between the office of the First Selectman and any Town boards or commission regarding the potential sale of any site owned by the Town for use as an alternate site for the substation.

**None**

9. Provide all documents of any of the persons or entities identified in response to question 5 above.

**NA**

10. Identify each person who you expect to call as an expert witness at the hearing before the Siting Council in connection with . . . .

**NA**

Respectfully submitted,  
**TOWN OF TRUMBULL**
